

PETROZAVODSK STATE UNIVERSITY
(PetrSU)

invites you to participate in the annual scientific event

from March
31
2025

until April
27
2025

**77th All-Russian (with international participation)
scientific conference of students and young scientists,**

dedicated to the 85th anniversary of PetrSU and the 80th anniversary of the Victory in the Great Patriotic War

- more than 130 sections on various topics;
- more than 1700 speakers;
- more than 180 best reports are included in the conference proceedings.

Participation in the conference is free.

For out-of-town participants, all expenses are reimbursed by the sending party.

Participation format: in-person or remote, including personal or poster presentation.

Relevant for:

- students (9th, 10th, 11th grade schoolchildren; students of secondary vocational education and higher education; residents, postgraduate students);
- young scientists (persons without academic degrees, aged up to and including 39 years).

For all reports authored by students, a supervisor is required.

Based on the results of the conference, **a collection of materials is published** (indexed by the Russian Science Citation Index).

The reports of section winners (1st, 2nd, 3rd places) are recommended for publication.

To participate in the conference with a report, you must submit it **from February 3 to March 23**. Scan the QR code below to register and submit your report.
